

Sri Medical's Analytics report

Appearance improvements

Project the presence of pharmacy elegantly by increasing the lighting inside the pharmacy.

Advertising through the fascinating flexes.

Deep insights

Required or requested medicines should be in the stock always.

Establish a connection between the pharmacy and the nearest hospitals.

Attractive products are taken more precedence in the showcase.

Attracting customers

Every customers expecting an offers
on their purchases.

So the offer levels should be
increased.

Visiting doctors can be occasionally
appointed for general treatment and
check-up.

Customers get more satisfied when
they getting complements on each
purchase.

Enjoy
the
little
thing
